SENIOR CLASS HISTORY

September, 1939, forty-one "greenies" took their places in the commercial room with Miss Parmenter as their sponsor. Early in the year the following officers were elected: Glenn Kohring, president; George Small, vice-president; Elwood Restemeyer, secretary; Le Roy Rife, treasurer; Arlene Sander, student council; and Helen Ashman, annual reporter.

Eight girls and one boy joined us from New Rochester and Ann Meuser from Michigan. Mary Yant left us early in the year and Evelyn Heilman came from Hoytville School.

A few of our members participated in many extra-curricular activities. We also had a class party in the school house.

With thirty-nine pupils we started 1940-41 off with a good start. Class officers were elected as follows: Evelyn Heilman, president; William Libbe, vice-president; Johanna Aring, secretary; George Small, treasurer; Roberta Abke, student council; Ruth Heermeier, annual reporter.

Several members were in Band, Glee Club, Quill Type, French and Latin Clubs, F. F. A. and some of the boys on the basketball team.

On October 30, we enjoyed a Hallowe'en party at Kenneth Henline's home.

Our sophomore boys won the boys interclass tournament. We were proud to have our class colors maroon and white tied on the cup.

September, '41, a group of thirty-six ambitious juniors gathered in the commercial room with Mr. Dorfmeyer as their sponsor. We seemed excited knowing that our junior year had much in store for us.

We entrusted the class offices to the following students: president, Glenn Kohring; vice-president, William Libbe; secretary, Arlene Sander; treasurer, Roberta Abke; news reporter, Johanna Aring.

We started to enlarge our treasury by sponsoring a skating party at Perrysburg. Then came the great event of the year, the production of our class play "Pigtails" which drew a large crowd.

The second event was the receiving of our class rings.

On March 20, a farewell party was given in honor of our class sponsor, Mr. Dorfmeyer who enlisted in the United States Coast Guards. Mrs. Drake then filled his place.

And now it is 1942. We are now seniors and the last year of our high school career is before us.

Thirty-four seniors assembled in the study hall with Mr. Huebner as our class sponsor. Again we selected our class officers: William Libbe, president; Elwood Rostemeyer, vice-president; Evelyn Heilman, treasurer; Roberta Abke, secretary.

Due to the present conflict we were unable to sponsor any outside activities.

Our senior class pictures started us out on our senior year. Many fine photos were taken.

Another big event was our class play "Don't Be Bashful" starring some of our talented students.

The Junior-Senior reception will be another event that will never be forgotten.

And now as the year draws to a close, we, as a class are eagerly awaiting the most important occasion in the life of every high school student -- GRADUATION.

To our teachers, we offer our thanks for their advice, guidance and untiring efforts in our behalf.

We have had a delightful time in high school and will often remember those days but we are now eager to start our life's work.

Melvin Grover was busily engaged with a spade in the mud when Chuck Eisenhour came up. Stuck in the mud, Grover?

Melvin: No, my motor died and I'm digging it a grave.

PROPHECY

Time: June 12, 1948
Place: Exclusive Academy of Music in New York City

Betty W: Hello. New York City Academy of Music. Miss Wormley speaking.

Ruth W: Don't tell me it's Betty Wormley of Pemberville, Ohio of class '43?

Betty: Yes, but who is this speaking? Oh! I know now. It's Ruth Wegman. I still remember your voice. I'm so glad to talk to you.

Ruth: Where is your twin? I thought she was with you.

Betty: She is. She's my secretary, but she's out having lunch now. Say Ruth, what are you doing in New York?

Ruth: Oh! Didn't you know. I came here as a secretary and my boss fell for me. We've been married three years and we have a little boy. My husband is interested in my taking singing lessons, so that's why I called.

Betty: Did you want to make an appointment? Friday afternoon at 2:00 will be fine.

Ruth: Yes that's satisfactory with me. What ever happened to that class of ours. Have you heard the "Shed House" trio yet? They're doing very well on Broadway. Ever since the war ended two years ago, they have been heading for Broadway and now they're there and I've talked to them all. Melvin is still single but Kork and Chuck are married. I was introduced to their wives but I don't know them. Debutantes, I suppose.

Betty: Yes! I've heard them. They certainly are good. Did you hear about Johanna? She's in Washington D. C. working for the government. She got the Civil Service work right after graduation and has had several

promotions. Also, Paul Aufderstrasse has just finished his course in ministry and now has a church in Detroit and is residing there with his wife.

Ruth: Yes and Beatrice Bushman and Evelyn Heilman are both teaching school in Pemberville. Beatrice is the English teacher and Evelyn is the first grade teacher. You remember when Evelyn taught the first grade in our Senior year. She liked it so well that she went to college. "Bea" always was good in English.

Betty: Eloise Kemmer and Joyce Wilcox are both secretaries for the same man in Hollywood. He is a motion picture director. Don't they rate? Maybe they will even get to be actresses.

Ruth: "Bill" Libbe has his own trucking system too. It runs from Chicago to New York. It's some business, I hear. Paul Rothenbuhler is also doing all right. He took over the well known Greiner concern of Pemberville. You remember that, don't you?

Betty: Why of course I remember. I get the Leader too and I read that Roberta Abke was home recently. Can you imagine. She's a navy nurse, and can you guess what Paul Sieving is doing. He's teaching Chemistry in one of the Toledo schools.

Ruth: I didn't know that, but I do know George Small has charge of the laboratory at the DuPont plant in New York.

Betty: Have you heard Fred Wilson's orchestra on the radio? It's super. He's really getting famous in a hurry. He married Marjorie Harmeyer.

Ruth: He did? Frances Marten married "Butch" too. They own the Beckman Funeral Home at Pemberville. They have a little boy named Clarence Jr.

Betty: My I certainly am learning a lot. Ruth Heermeier and Edna Mae Jividen are married. Ruth is living in Elmore and Edna in Perrysburg. Eunice Titkemeier married a sailor. It was his ring she always wore in

our Senior year.

Ruth: You've heard about your old flame Elwood Restemeyer haven't you? He's pitching for the Detroit Tigers and Paul Rolf is a big stock farmer. Harold Hagemeyer is his helper. Kenneth Henline also has a farm of his own.

Betty: Riva Schroeder and Arleta Sieving are both doing restaurant work. Riva is working in Bowling Green and Arleta is working in the Victoria room of the Hillcrest Hotel.

Ruth: Helen Ashman and Arlene Sander married their high school sweethearts. They both live in Luckey. Helen's husband is an undertaker. Arlene has twins.

Betty: Well for goodnes sakes. Well Ruth I guess we've talked about all our classmates.

Ruth: Oh no. We've missed two. Can you imagine Donald Faulker being a general. He was drafted and remained in the army after the war was over. The other one we missed was Wilhelmine Kemner. When her brother was once home on a furlough, he brought a friend along. He fell for Wilhelmine and when he returned from the army, they were married. They are now living on a farm in Findlay with their two Children.

Betty: Gee Ruth we've talked for quite a while about all our schoolmates. I'll see you Friday at two.

Ruth: All right. We'll talk over old times. Good bye.

Betty: Good bye.

JOKE

Radio Announcer: We now interrupt these news flashes to bring you a radio program.

Bud Friesner: Well, I didn't expect to take it with me.

JUNIORS

JUNIOR CLASS HISTORY

Early in the morning on September 1940, thirty - one "greenies" were given a set of puzzles to solve--a schedule of courses and classes under the guidance of Miss Roberts. We entrusted our class offices to the following students: president, Ardella Friesner; treasurer, Helen Driftmyer; vicepresident, Marilyn Gockerman; secretary, Thomas Moran; student council, Orval Gottchalk; and news reporter, Geraldine Heller. We enjoyed a Hallowe'en and sleigh ride party during our Freshman year.

September soon rolled around again, and it found thirty of us entering the second year of our high school career. Again we had Miss Roberts as our class sponsor. Class officers were elected as follows: president, Paul Huffman; vice president, Ned Alexander; secretary, John Michel; treasurer, Marcena Becker; and news reporter, Helen Driftmyer.

Billy bushman and Freed Miller quit school,while Marjorie Hagemeyer left to attend Maumee High School. George Stockton, moved from our district during the first part of the second semester. We gained two new students, Robert Hervey and Gerald Voorhees. This made a total of 21 members in our sophomore class.

Many members of our class participated in extra curricular activities; such as the cheerleaders, band, glee clubs, and basketball team.

We also had a class party at Anna Marie Gerwin's home and a sleigh ride party later in the winter season.

September, 1942, a group of jolly juniors gathered, with this time, Mrs. Menter (Miss Roberts) as their sponsor. This year we were very happy to welcome a new member intoour class, Sara Gangwer, from Rising Sun; but we were equally sorry to lose two members, Donald Busdieker who quit school, and Dale Leemaster, who moved to Woodville. Our class now numbers 28. A few weeks after school began, we elected the following officers: president, Merlin Martin; vice president, Edward Aring; secretary, Marcena Beeker; treasurer, Audrey Bursiek; and annual reporter, Marcena Beeker.

We started to enlarge our treasury by the magazine sales campaign. Then came the great event of the year, our class play, "Step, On It, Stan!" which was presented to a large crowd on November 20, 1942.

The second big event was the day that the juniors received their class rings. We surely were proud to display them.

On Wednesday evening, October 27th, the Hallowe'en party at Ardella Friesner's home was an enjoyable event for every one.

Our boys were the winners at inter-class tournament. It was indeed a pleasure to be able to tie the blue and red ribbons on the cup.

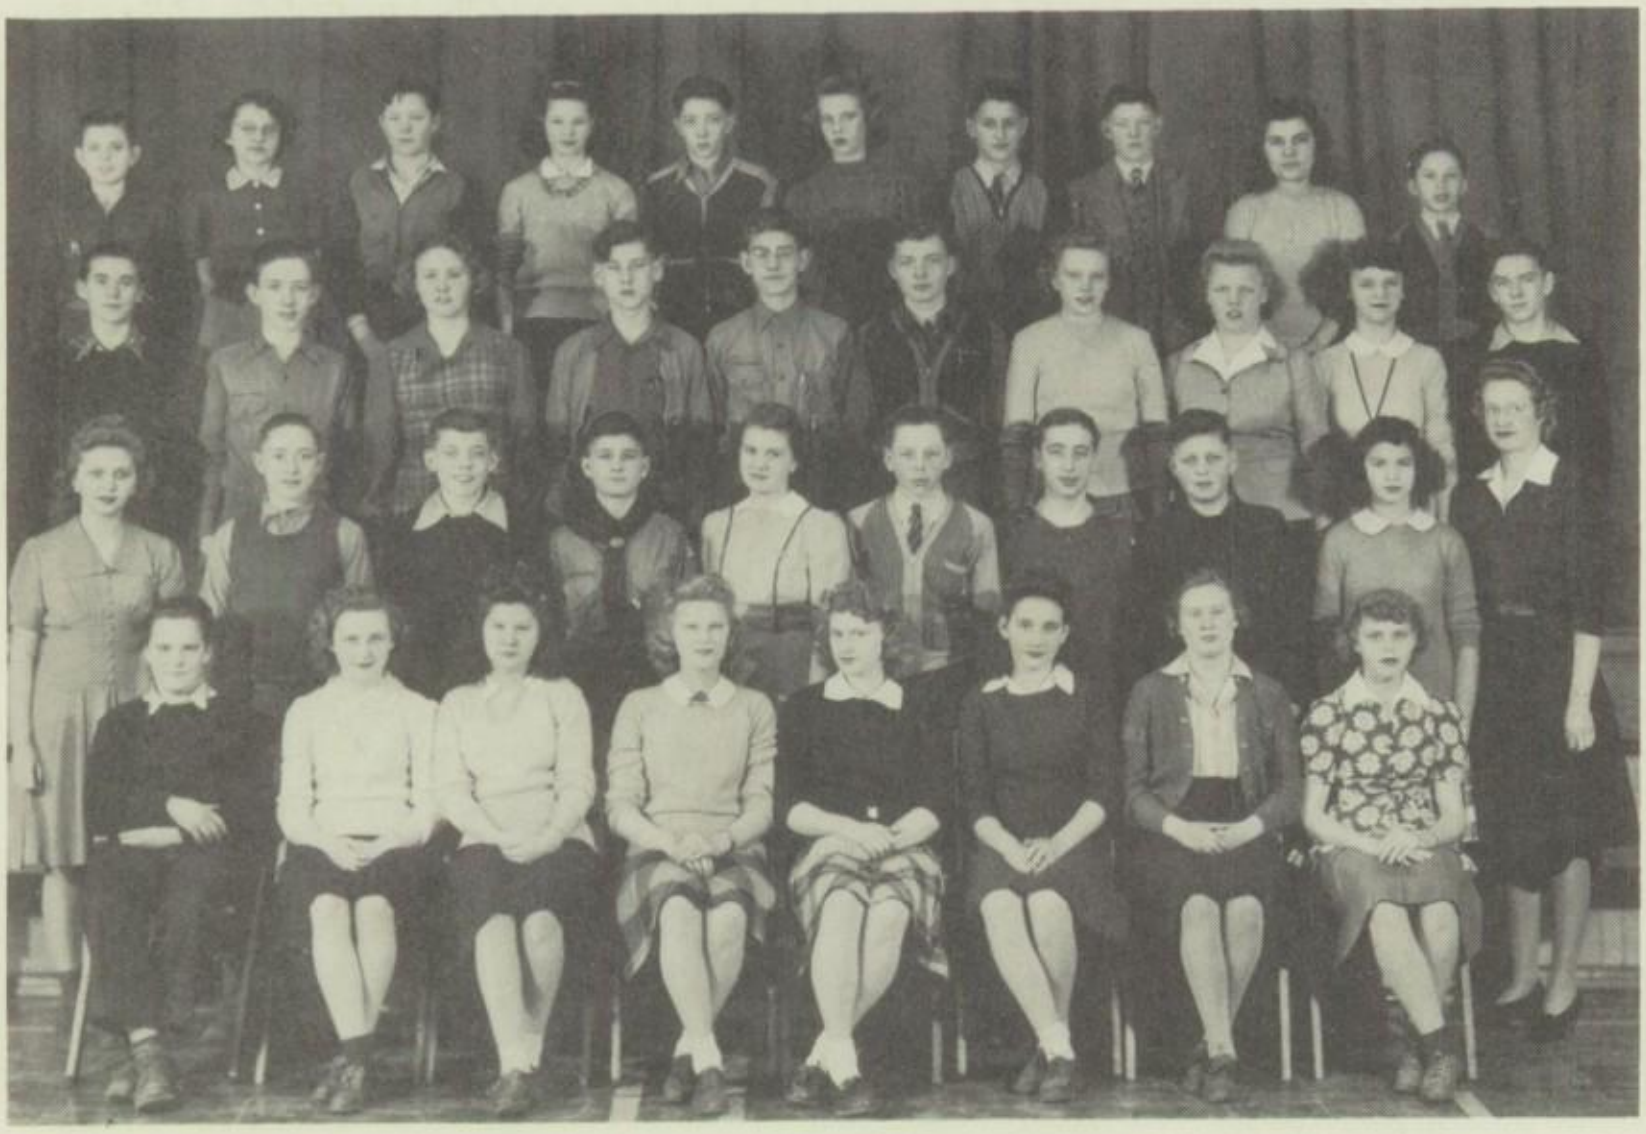
In both musical and athletic activities the juniors have shown their ability and willingness.

On April 20, we had a farewell party for Gregory Sohajda, who left for the army April 24. An appropriate gift was presented him by our class. We shall all miss him and wish that he could graduate with us next year.

On May 14, perhaps, came the biggest event of the year, our junior-senior reception.

We, as a class, have been working towards a definite goal --that of graduation.

Freshmen - Sophomores



SOPHOMORE CLASS HISTORY

September, 1941, we began our freshman year with thirty one pupils but two of them left during the year, Bernard Kern and Frances Stockton.

The class officers chosen for the year were: president, Ruth Hebler; vice-president, Dick Rahe; secretary, Luther Henline; treasurer, Frances Stockton; annual reporter, Ann Chamberlain. Victor Kohring was elected to take Frances Stockton's place when she left.

In September we enjoyed a weiner roast which was held in Rahe's woods.

Mr. Jackson, our sponsor, assisted by his wife planned a very nice Hallowe'en party for us in October at his home. We all appeared in costume after which the most comical dressed person received a prize. After we all took part in several contests we were served with a delicious lunch.

The freshman planned a sleighing party in February. Before getting out of sight of the school, the sleigh was tipped over, but no one seemed to mind and everyone had a good time.

In September, 1942, we began our Sophomore year with twenty-eight students. After a few days in school our class elected the following as officers: president, Ann Chamberlain; vice-president, Rita Knight; secretary, Dale Bruning; treasurer, Lavonne Peoples; annual reporter, Shirley Schwan; and sponsor, Mr. Jackson.

The first part of October we held a weiner roast at Victor Kohring's. The evening was spent in playing games. Everyone had a good time.

We are very proud to have three members of our class on the Varsity Basketball team. They are Melvin Beck, Luther Henline, and Victor Kohring, and four on the second team. Several members are also on the Baseball team.

FRESHMAN CLASS HISTORY

We entered our first year of High School with forty-one in our class. Eight of our class are from New Rochester. Later Mary Lou Malott, Beatrice Legg, and Earl Oakley left us, leaving only thirty eight. We are almost back to forty-one again, because Pauline Cobb and Doris Vestal have joined us. They have both gone to school here before.

We held a Hallowe'en party at the home of Foster Gerwin. After playing several games, we were served a lunch by members of our class. Most of our class and our sponsor were there.

March the fifth we were allvery happy when our girls took the interclass tournament. They fought to have the green and white tied on the cup. A party was given for the girls to celebrate this event.

During the year we elected officers as follows: Ted Menter, president; Bud Friesner, vice president; Anita Ernsthausen, secretary-treasurer; Marjorie Kaemming, annual reporter; Mrs. McGee as our class sponsor.

Our class must have been the one for bad luck this year. Harold Hiser was in the hospital for appendicitis, and Ruel Speck broke his ankle. We hope this doesn't happen next year nor any other year.

We also took part in the school activities.

SEVENTH GRADE

We entered the seventh grade this year with twenty eight- as our total. Early in the school year we were sorry to lose Katherinne Waggoner, who moved to Fremont. We also added a new member to our class; Betty Konzen, from Fremont.

We were very sorry when Joan Rife passed away due to scarlet fever. She has been in our class since our first year in school. We are sure Joan will never be forgotten by her friends.

The seventh grade officers are as follows: President, George Alexander; Vice President, Marion Cockran; Secretary, Ellen Wegman; Treasurer, Scott Muir.

Our class has had one social event, a Hallowe'en party held at the home of Mr. & Mrs. Earl Alexander. It was in the form of a weiner roast and scavenger hunt.

We sponsored two chapel programs during the school year. The speaker for the first program was Ensign Walter Dorfmeyer, a former member of our faculty. We also had charge of the Christmas assembly. Reverend Jones, Pastor of Pres. Church of Pemberville read the story of Christmas.

EIGHTH GRADE

The Eighth Grade opened school this year with 28 pupils and with Miss Snyder as their sponsor.

The class had a Hallowe'en party in Earl Abke's barn. Everyone had a good time and sandwiches and cider were served.

The eighth grade got the high mark in the magazine sales. $101 were raised.

Five eighth graders averaged A students at the semester.

GRADE NEWS

As a result of the war, many of the usual grade activities have been dispensed with and others instituted in their place.

Unusual interest has been shown in Junior Red Cross Work this year. Boxes were packed and sent abroad for Christmas. Letters of thanks were received from the schools receiving them. Many grade children have knitted the six-inch squares for afghans. Laura Jane Bruning, a fifth grader, has done some outstanding work, having knitted ten beanies besides several squares.

As the War and Navy Departments urged us to write regularly to relatives and friends in the armed forces, the Fourth, Fifth, and Sixth Grades became members of the "Write-A-Fighter-Corp" which was sponsored by Jack Armstrong of radio fame. This W. A. F. C. is a national organization. Many interesting letters were received from foreign lands.

The Grade School responded very patriotically to the Scrap Drive. Mr. Lee Smith, the custodian, thinks that judging from the amount of scrap he carried to "The Scrap Room", that Pemberville attics, basements, barns, garages, etc., must be quite empty as a result of "the drive."

The grades have been very active in buying defense stamps this year. Up to May 1st, the following amounts have been purchased: First grade, $42.50; Second grade, 82.00; Third grade, 62.30; Fourth grade, 66.25; Fifth grade, 165.60; Sixth grade, 67.30.

The grades furnished the program for the Christmas Parent Teacher Association Meeting. It was a very impressive program consisting of songs and pantomime. Mildred Hartman read the appropriate Bible verses.

The Easter Seal Sale was a great success this year. In a few days time, over thirty-four dollars worth were sold by the first six grades. As a reward for their salesmanship, they saw free two comedy features--one entitles "Mickey McGuire" and the other, "Boy Meets Dog."

The Fifth Graders entertained the pupils of the other grades with a playlet, "Punctuation Marks."

The Sixth Graders held an exhibit of their art work in April.

Directed by Mrs. Menter

Stan Gray is the town's leading failure. His best girl has deserted him--likewise all his friends, with the exception of happy-go-lucky Charlie Norris and Sid Pressley, the town loafer. Then into his life breezes pretty little Peggy Brooks with a startling philosophy--"You can have whatever you want in life, if you want it badly enough." What Peggy's philosophy does to Stan and his friends is a riot of laughter. Stan decides to be the town's leading citizen. During the play these characters will appear: Mr. Cryder, leading citizen; Prudence, leading spinster; Sibley, town's richest girl; Sarah, in search of her fortune, and other interesting characters.

Rev. A. O. Jones

Nancy Adams, secretly in love with Ken Hunt, is scholastically brilliant but distressingly bashful. But when the Adams and Hunt families occupy adjoining cottages at Pine Lake for a summer vacation, Nancy daringly goes into action for the first time in her life. A new and highly attractive Nancy emerges. In an effort to make Ken jealous, Nancy hires Larry Marshall, a total stranger, to pose as her lover.

Immediately matters take an alarming turn, particularly when Phyllis Burk, attempts to interview the supposedly young artist. And when Mrs. Adams enthusiastically plans to display one of Larry's masterpieces, Nancy is thrown into complete panic. She desperately borrows a painting from the nearby gift shop with the expectation of passing it off as Larry's work. From that fateful moment, the Adams and Hunt families, as well as most of the vacationists, at Pine Lake, are thrown into wild confusion; however Nancy's affair comes to a hilarious climax.

BASKETBALL SEASON

Yes, the 1942-43 basketball season has ended! We know that our teams were not always victorious, but the fine sportsmanship displayed by the boys throughout the season made the games worthwhile.

This year we had six lettermen returning to their positions on the team. But even so, there was a great deal of rivalry for the starting positions.

After a few weeks of intensive training, we welcomed the Wayne Bulldogs, on November 25. This was our first home game. The Redmen jumped into the lead in the early minutes of the game. The score ended at the half, Wayne 12, Pemberville 18. In the second half the Redmen couldn't be stopped. Final score was Pemberville 34, Wayne 21.

With one game on the right side of the ledger, the Redmen played Luckey, at Pemberville, on December 1st. The Trojans took the lead 4 to 0, but the Redmen came back fighting. At the end of the first quarter the score was Luckey 4, Pemberville 9. In the second quarter, Pemberville's defensive playing could not stop the Trojans. The half ended with Luckey leading, 17 to 14. Luckey held this lead throughout the rest of the game, although P'ville came within one point of typing the score, in the closing seconds of the game.

On December 4th, we journeyed to Bradner for our first game away from home. The Bradner Commandos took the lead in the early minutes of the game, which they held throughout the entire game. The final score--Pemberville 19, Bradner 34.

With one victory and two defeats, we returned to Pemberville to play the Risingsun Tigers. At the half the Redmen held the lead 16-12. The last half the boys could not find the "bucket" for they scored only 8 points. The final score Risingsun 36, Pemberville 24.

On December 18, we journeyed to Scotch Ridge to play the Webster Scotts. At this time Webster held first place in this section of the county. Once more our opponents found their way to victory, and the game ended with a score of 67-23.

On January 1st, our boys resolved to beat the Alumni. The Redmen thought they stood a very good chance of winning because many of the boys were in the Armed Forces. The boys were much surprised when at the half the Alumni led by the score of 12-9. In the third quarter the Redmen took the lead by 2 points. In the last quarter the Alumni came back to beat the Redmen by the score of 23-25.

On January 12we played Woodville on our floor. This game turned out to be quite a thriller. Woodville kept a 3 to 5 point lead, until the last minutes of the game. Then the Redmen came from behind to defeat the Warriors with a score of 31-29.

After the thriller with Woodville, we played Wayne on their floor. At the end of the first quarter Pemberville held a decisive lead over the Bulldogs. In the last half the boys continued adding to this lead. The final score-Pemberville 41, Wayne 30.

With two wins in a row, we played Bradner on our floor. The Redmen jumped into a 5 to 0 lead in the early minutes of the first quarter. At the half Bradner led by 11 points which was enough to win the game, for our boys scored only 8 points in the last half.

The Lake Flyers, last year's county champs, came to Pemberville on January 26. The first quarter Pemberville could not penetrate Lake's defense. The Redmen scored only 2 points while Lake hit the "hoop" for 12. The scoring the rest of the game was well balanced, with Lake leading by 9 points when the game ended.

On January 29th we jouneyed to Risingsun, who had defeated us once before this season. The boys were out for revenge and got it after a long, hard fight. The Redmen lead 15 to 14 at the half. In the third quarter the Redmen gained a 5 point lead. When the game ended, the boys led by only 1 point but it still meant the game.

On February 2nd we played Woodville whom we had defeated by 2 points earlier in the season. The Redmen held a 4 point lead at the half. We soon lost the lead in the third quarter when Woodville staged a 11 point rally. When the gun sounded, Woodville still led by the score of 42 to 30.

Returning home we welcomed, on February 5th, Webster. Webster, at this time, was rated as one of the best teams in the county. The boys, this game, tried to stop Webster's from scoring as they did in the previous game of the season. The boys succeeded to a certain extent, but in doing so, they sacrificed in offensive playing. The final score-Webster 51 Pemberville 15.

After being beaten by Webster, the Redmen played her with Walbridge. The Pemberville five took the lead the first quarter by the score of 13 to 9, only to loose it in the second quarter. Again Pemberville took the lead only to loose it in the closing minutes of the ball game. The final score-Pemberville 36, Walbridge 38.

We then played Portage on their floor. The Redmen gained a six point lead in the first quarter and held it until the last quarter, when Portage came within three points of tying the score. The final score Pemberville 39-Portage 31.

We then returned home for our last seasonal game with Gibsonburg. The first three quarters Pemberville led, only to be beaten in the final quarter. The final score-Pemberville 26, Gibsonburg 31. The last quarter Pemberville scored but 1 point.

In the Wood County Tournament we drew Haskins. Our game was the first game of the tournament. The Redmen took a 4 point lead in the first quarter only to lose it in the second. At the half the score ended with a tie. The last half the boys could not invade Haskin's defense. The game ended with Haskins leading by 8 points.

The 1942-43 basketball season is over for Pemberville, and is over forever for five of the players. As far as games won, the season has been unsuccessful. One thing we can be proud of is the fact that we gave it all we had, and were good losers.

The Redmen scored 416 points to their opponents 530. We averaged 27 points per game. We won five games and lost 10.

The Reserves scored 365 points, while their opponents scored 426 points. They also won five games and lost 10.

INTERCLASS TOURNAMENT

On March 5th and 7th weheld our annual interclass tournament. These turned out to be the noisiest in history.

The first game ofthe evening there wasn't much excitement as the strong Sophomore girl's team defeated tho Seventh grade girls by the score of 43-6.

The Junior and Freshmen boys were scheduled to play the second game. This game was predicted as a close one, although the Juniors held a little better chance of winning. The Freshmen couldn't get to clicking and so they lost by the score of 28-12.

In the second girls' game of the evening, the Junior and the Freshmen girls were to meet to see which was the better. In the first half the Freshmen were really clicking and they scored 11 points, while the Juniors scored 4 points. The last half the Juniors came back fighting, for if they were to win they would have to overcome a 7 point lead. Their efforts proved to be in vain, because they were defeated by the score of 11-12.

The second boys' game of the evening was between the Seventh and Eighth grades. The Eighth grade rolled to an easy victory by the score of 50-5.

In the final game ofthe night the Eight grade girls played the Sophomore girls. This game also was very uneventful as far asthe score was concerned. Sophomores led when the whistle blew by the score 31-4.

On March 7th we continued the tournament with two evenly matched boys' teams playing the first game. The Junior boys led the Sophs. by one point at the half. In the second half the Juniors really "turned it on" by defeating the Sophs. by the score of 31-18.

The second game the Senior girls played the Freshmen who had defeated the Juniors by one point. The Freshman again had a hard game before they reached victory. The game ended with the Freshman leading with a score of 8-4. This gave them the chance at the finals.

The second boys' game of the evening was to be held between the Seniors and that eighth grade boys. The Seniors, with a very good team,held the upper hand throughout the game. The final score-Seniors 36, Eighth 14.

In the championship game of the girls,there were two very good, evenly matched teams. Both the Sophomoresand the Freshmen girls were out to win. In the first half the Sophomores built up a 5 point lead. But they could not hold this lead the way the Freshmen were fighting to win. Whose fighting was not in vain,for they wonthe championship after winning three close games. Two of them were by one point.

The Junior and Senior boys met in the finals. Both teams were out fighting hard for the winners got to tie their colors to the trophy. In the first quarter the Seniors gained a three point lead,which they held until the last minutes of the first half. In the last half it was the Juniors all the way with the final score of Seniors 23, Juniors 30.

Helen Ashman: Do you know how to drive a baby buggy?

Frances Marten: Sure. Tickle it's feet.

* * * * * *

Florist: I'd suggest this corsage for a blonde and that for a brunette.

Wilson: I'll take both. I've no idea what she'll be tonight.

* * * * * *

Resty: Will you marry me?

Betty: No, but I will always remember you for your good taste.

Heckman: Where's your radiator cap?

Grover: On the front of the car but don't call me cap.

THE REDMEN

We have six letter men on our team.
I'll start them right down the line.
Dusty Rolf is our big tall center,
His number is 99.

Dusty is the tallest man on the team;
In fact he's six foot two;
And when the team is up in the air,
Dusty knows just what to do.

Beck is our flashing forward.
He has plenty of vigor and vim.
He's point maker for the Redmen;
There's nothing the matter with him.

Wilson's our other forward.
His long shots are really classy.
He plays back court on offense,
And those passes are certainly flashy.

Resty is our sparkling running guard.
He's swell on that backboard work;
And when we have a hard and tough game,
You never see him shirk.

K. Henline is really a utility man.
He's good in any position.
He's in there fighting for all he's worth,
Till the ref gives the final decision.

Kohring is the last man in the line.
He plays the position of guard.
Although he never makes many points,
He's in there fighting hard.

We had four others on the team.
Rolf, Pinkey, Ned, and Lute.
When it comes to rolling in the points,
They know just when to shoot.

BASEBALL SEASON

The Redmen started their baseball season with nearly all of the same players back. All of the boys were enthusiastic about the coming season. We all practiced hard to make this one of the most successful seasons. After the season started we found that all of our efforts were not in vain. They played with the results as follows:

Webster - 0	P. H. S. - 1	Here
Walbridge 8	P. H. S. - 5	Here
Webster 4	P. H. S. - 5	There
Wayne 1	P. H. S. - 4	Here
Walbridge 5	P. H. S. - 1	Webster

With this season over the boys are all hoping to make the next an even more successful one.

THE MUSIC DEPARTMENT

Another year has rolled around, and once again it is time to put out an annual. In this annual is the account of all the activities in and around Pemberville High School. Music is among these.

In our school, for the first time, credit was given for band and glee club. No, the credit was not very much, only a quarter credit a year, but nevertheless it did strengthen our music department greatly. Sometimes wonder whether this quarter credit caused the turnout which we experienced this year or whether it was the fact that since December 7, 1941, we look to music as an aid to keep up our morale. Probably it was the latter.

As was the case last year, we had two glee clubs--the Boys' and the Girls'. In the beginning of the year we tried to get a Mixed Chorus, but, due to the lack of teachers. Mr. Jackson could not handle any more classes. So the idea was abandoned. The aim in the Glee Clubs as it was in past years, is to develop an appreciation of good music, and to learn to sing it where ever possible.

Among the compositions learned this year were:

Girls' Glee Club

Marcheta
Italian Street Song
"Prayer" from Alceste

Boys' Glee Club

Alma Mater
Winter Song
Shortnin Bread

Mixed Chorus

White Dove
Incline Thine Ear, O Lord

From this list you can see that the Music Department did show a definite improvement as far as its repertoire is concerned.

During the year we made several public appearances, namely, at the Christmas Program given by the PTA, at the final PTA program and at miscellaneous chapel programs throughout the year. We have been invited to participate in the District Music Festival at Bluffton. Whether we go, or not, depends largely on the number of cars available to take the seventy members of the Glee Clubs. Possibly you would be interested in knowing the enrollment of the Glee Clubs. In the Boys' Glee Club there are 20 boys. In the Girls' Glee Club there are 50 girls.

Among the miscellaneous vocal ensembles is the ever famous "Shed House Trio" composed of Glenn Kohring, Charles Eisenhour, and Melvin Grover. They appeared in Chapel programs.

Next we turn to the instrumental end of the music department--namely the band. Our band is composed of forty-eight interested members. The instrumentation is as follows: 5 drums, 16 clarinets, 8 trumpets, 6 saxaphones, 4 trombones, 2 baritones, 2 tubas, 1 flute, 3 altos, and 1 bells, making a total of 48 pieces.

Throughout the year we were taught many new compositions such as "Anchors Aweigh" and the "Marines' Hymn". Also new books were purchased containing many invigorating selections.

Our activities for the year were as follows: (1) We drilled at the various home basketball games at Webster and Montgomery, and also on Armistice Day. (2) For the third consecutive year we were invited to attend the Wood County Basketball Tournament to Furnish the music for that thrilling event.

Our thanks are due to Mr. Robert Jackson, who has so ably guided us through another year of musical training. If it had not been for his guidance many of our projects would have turned out complete failures. It is our sincere hope that he will continue still longer in our midst to continue the good work which he has started.

Paul Rolf, Jr.: What do you mean by telling Audrey, I am a moron.

Ardella: Heavens, I'm sorry, I didn't know it was a secret.
